SAFE. RELIABLE. CONVENIENT

Terms and Conditions for Indane Gramin Vitrak

(Rural LPG Distributorship)

Quick Summary: Indane Gramin Vitrak offers a profitable rural LPG distributorship opportunity with investment starting from **₹20,000 to ₹50,000**. Earn commission of **₹170-₹210** per cylinder with potential monthly profits of **₹60,000 to ₹1,00,000+**. Company provides computer, software, and 50% rent support.

Indane Gramin Vitrak Refundable Security Deposit:

- **Security Deposit:** ₹20,000 (refundable, acts as wallet amount)
- **Total Setup Cost:** ₹20,000 to ₹50,000 (varies by infrastructure)

1. Investment Details

The total investment required to set up the distributorship is significant but manageable, ranging from **₹20,000 (Twenty Thousand) to over ₹50,000 (Fifty Thousand)**. This cost depends on the specific infrastructure needs, including land, godown construction, and delivery vehicles.

Land & Infrastructure Requirements:

- The applicant must own an office and a godown
- Ideal minimum godown dimensions: **300 square feet**
- Minimum storage capacity: **150 LPG cylinders** (typically 14.2 kg size)

Operational Costs Include:

- Security deposit payment
- Construction of godown and office
- Purchase of delivery vehicles

Note: Bank loans are readily available to eligible candidates to help fund the initial setup of the business.

2. Profitability Details

Commission Structure:

As a Gramin Vitrak, you will earn a commission of approximately **₹170 to ₹210 per 14.2 kg cylinder** (both domestic and commercial), which includes delivery charges. This translates to an estimated profit margin of **15-20% per cylinder**.

Monthly Profit Potential:

- A typical, well-established rural agency can expect net monthly profit of **₹60,000 to over ₹1,00,000**

- Profit is directly linked to customer base and sales volume
- Healthy sales volume yields net monthly profit of **■60,000 to ■70,000** after expenses

Additional Revenue Sources:

- Sale of new stoves and regulators
- Sale of hoses and accessories
- New non-subsidized LPG connections

3. Eligibility Criteria

- **Age:** Applicant must be between **21 and 60 years** of age
- **Education:** Must have passed at least **10th standard (SSC)** or equivalent
- **Residence:** Applicant must be a resident of India
- **Application:** Applications accepted through online transparent process at www.indanegas.in.net

4. Key Requirements & Company Support

Location Requirements:

- Proposed location must be within **15 km radius** of the specified rural area
- Functional godown with license from PESO (Petroleum and Explosives Safety Organisation) is mandatory

Staffing:

- You will be responsible for hiring and managing delivery personnel and office staff

Company Support from Indian Oil Corporation Ltd.:

- Computer and software for managing operations will be provided
- **50% of godown/office room rent** will be provided by Indane Gas
- Initial security deposit of **■20,000** acts as wallet amount for operations
